

**Juneau County Republican Party Executive/General Meeting Minutes, August 5, 2024
Submitted by Secretary, Marge Berger**

Meeting was called to order at 7:00pm

Pledge of Allegiance/Prayer

Minutes were distributed to the Executive Committee. Please read for any revisions.
Treasurer's report was distributed to the Executive Committee.

American Majority held their "Ballot Out, Ballot In" training session before the meeting.
PLEASE email Nate at nate@am-action.org to make phone calls chasing absentee ballots.
They pay \$20 per hour. We must make sure all votes are actually submitted and counted
to counter-act any fraud.

Review of Lyndon Station Parkfest - It was a success for the one day we were allowed to be
there and managed to make over \$500. We saw a large amount of support, met many very
nice people and got a couple additional members. A couple of people complained that we
were there and we were told not to set up on Saturday. Dennis reported that the parade
was not organized well and we did not have enough volunteers to hand out candy. We want
all of Juneau County to know we are here and working for our conservative values. We
NEED more volunteers!

Headquarters Open Business Hours: We will be open every Monday and Wednesday from
2 – 6pm. No one would volunteer for 4 hours on a Saturday so we will only be open that day
when someone can be there. When there please make sure to put the "Open" flag in front
so everyone knows someone is available to help them. Walk-ins, sales and donations
have increased as we get closer to the election. You cannot just show up as Marv must be
aware that someone is coming. Contact Marge, 608-565-2081 if you can volunteer on a
Saturday.

Brad Schimel has agreed to speak at our Lincoln Dinner. Return your invites/payments
ASAP. Last day to pay is August 19th.

No open discussion was held due to our training session.

Meeting was adjourned at 8:45pm
